

# Data Sheet

## DT 612 AB Supra Large diamond cutting blades for Asphalt, Concrete

### Class Supra

Aggressiveness

Service life

### Applications

Asphalt

Concrete

### Properties

Segmentation  Wide gullet

Design  Laser welded

Advantages: Suitable for asphalt and concrete - Specially engineered for use on both materials - High cutting speed – Excellent service life

Diameter /mm	Bore /mm	Vmax m/s	Max. RPM in rpm	Segment /mm	version of the rim	Cat.number
350	25,4	100	5.500	3,2	Wide gullet	330081
400	25,4	100	4.800	3,6	Wide gullet	349226
